Questions for the ADOR:

If you have any questions you would like to ask the Alabama Department of Revenue representatives or Judge Patterson, you are invited to share them with Robert Turnipseed (jrt@ajlaw.com or 251-405-1311) in advance of the meeting so that we can share them with the Alabama Department of Revenue and Judge Patterson before the meeting. This will be especially important this year due to this being a Zoom meeting, so we would appreciate it if you could get your questions in at least two weeks prior to the meeting.
